SUMMARY — I am a passionate frontend website developer. My journey in frontend development has equipped me with a strong foundation in HTML, CSS, and JavaScript, along with expertise in modern framework like React.

PROJECTS

TypeWave Pro

ReactJS, HTML, CSS, Javascript

 typewavepro.netlify.app

Notable Features

- The application ensures that users can select topic-related content to practice typing tests according to their preferences.
- It enables users to strengthen both their content comprehension and typing skills.

Skill Enhancement through Project Engagement

- The integration of Gemini for content has enhanced my skills in working with APIs.

Personal Portfolio

ReactJS, HTML, CSS, JavaScript

 gokul-b.netlify.app

Skill Enhancement through Project Engagement

- The portfolio helps me enhance my skills in ReactJS by applying concepts such as hooks (useState, useEffect), components, and dependency management through real-time experience.
- The portfolio also serves to showcase my knowledge, skills, and projects.
- The use of the EmailJS service allows emails to be sent directly from client-side JavaScript code without the need for server-side technology.

EDUCATION

GURU NANAK COLLEGE

Master of Computer Applications(MCA), 85 %

Chennai, Tamil Nadu

2022 – 24

SRI SANKARA ARTS & SCIENCE COLLEGE

Bachelor of Computer Applications(BCA), 85 %

Kancheepuram, Tamil Nadu
